

**UNC TraCS Practice-Based Research Partners:**

- **ENLaCE:** Expanding Networks for Latinos through Community Engagement
- **NCCHR:** North Carolina Child Health Research Network
- **NC MARCH:** NC Multi-Site Adolescent Research Consortium for Health
- **NCNC:** North Carolina Network Consortium – a collaboration of primary care practice-based research networks
  - E-CARE: Eastern Carolina Association for Research and Education (ECU)
  - MAPPR: Mecklenburg Partnership for Primary Care Research (Carolinas Medical Ctr)
  - NCnet: University of North Carolina Chapel Hill PBRNs
  - PCRC: Primary Care Research Consortium (Duke University)

**Applications should be submitted 2-3 months in advance (see guidelines for details).**

**I have read the Guidelines for Conducting Practice-Based Research.**

**Proposed Title:** \_\_\_\_\_

**Lead Investigator:** \_\_\_\_\_

**Name**

**academic degrees**

**Address:** \_\_\_\_\_

**Email address:** \_\_\_\_\_

**Phone number(s):** \_\_\_\_\_

**Do you have funding?**

**Yes** → **What is the funding source:** \_\_\_\_\_ **IRB #** \_\_\_\_\_

**No** → **Where are you applying:** \_\_\_\_\_

**RFA or FOA#:** \_\_\_\_\_ **Due date:** \_\_\_\_\_

**Do you need a letter of support?**  **Yes**  **No**

**Proposed NC TraCS Partner(s):** \_\_\_\_\_

**Please include a brief summary of the proposed research including (2 pages):**

- **Specific aims/hypotheses**
- **Study population** (be specific about target number and types of subjects, inclusion/exclusion criteria)
- **Overview of Design/Methods/Measures** (in a couple of paragraphs – include number and type of practices that would be involved)
- **What will be required of participating practices**
- **Desired outcomes of the research**
- **How will practices be reimbursed for time and effort**
- **How will patients or community partners be reimbursed for time and effort**

**If approved, a more detailed research plan and budget will be requested.**
